

HOLY LAND TOUR OF ISRAEL

Israel: May 27 - June 5, 2023

No earthly place is more significant to God's children than the land of Israel. God used the land to shape the lives of His people in the Bible and He continues to do the same today. Visiting the Holy Land is an unforgettable, faith-maturing experience. No matter how many times you've had the privilege to go, you always come back changed.

We're inviting you to join us on this Israel tour next summer and would count it a privilege if you would join us for this trip of a lifetime. We will literally walk the paths that Jesus walked during His earthly ministry... down the streets of Jerusalem... crossing the Sea of Galilee... climbing the Mount of Olives... and standing before the empty tomb.

We will see and experience things together that will imprint the truths of the Bible upon your hearts. We will have times of worship, scripture reading, and brief comments along the way in addition to the singing of the songs of faith in the very place where that faith was inspired. Israel is really a fun, enjoyable place to visit. Each day is full and you'll enjoy everyday.

I encourage you to take advantage of this opportunity. Glance through this information. Pray about joining us and dream a little. Imagine walking in those sacred places. And start planning for a trip you will remember for the rest of your life.

Concerning: Travel Insurance

Travel insurance packages vary and are available to suit your comfort level from basic to comprehensive coverage. While some might just want additional medical coverage others may want to add cancellation and/or interruption insurance in the case you should need to return or delay your trip because of a medical need or other covered reasons.

The easiest way to decide what plan you may need for your trip is to talk directly to the travel insurance company. Of course, you may decide to take the risk of not purchasing a policy at all - that is your call to make.

You are strongly encouraged to check your current health plan to see what is covered overseas in case a medical need should arise. Most travel insurance companies have a very affordable "medical benefits only". This would not, however, cover your tour cost if cancellation penalties exist.

Hopefully by talking directly with a company representative, you will be better able to make a decision concerning travel insurance that works best for you.
