Concerning: Travel Insurance

Travel insurance packages vary and are available to suit your comfort level from basic to comprehensive coverage. While some might just want additional medical coverage others may want to add cancellation and/or interruption insurance in the case you should need to return or delay your trip because of a medical need or other covered reasons.

The easiest way to decide what plan you may need for your trip is to talk directly to the travel insurance company. A recommendation is [Travel Guard](https://www.travelguard.com) 1-800-826-5248. Of course, you may decide to take the risk of not purchasing a policy at all - that is your call to make.

You are strongly encouraged to check your current health plan to see what is covered overseas in case a medical need should arise. Most travel insurance companies have a very affordable "medical benefits only" policy. This would not, however, cover your tour cost if cancellation penalties exist.

Hopefully by talking directly with a company representative, you will be better able to make a decision concerning travel insurance that works best for you. Since Take Me to Europe does not sell travel insurance or gain any compensation from Travel Guard, you are welcome to explore other travel insurance companies.
